**Joint Comments of  
Main Street Broadcasting, Inc.,  
And BDI Broadcasting, Inc.**

Main Street Broadcasting, Inc., and BDI Broadcasting, Inc., joint petitioners for rule making in the above-captioned proceeding (the "Joint Petitioners"), hereby submit their comments in support of the changes to the FM Table of Allotments proposed in the Notice of Proposed Rule Making adopted herein, by stating as follows:

By Petition for Rule Making filed October 30, 2000 ("Petition"), the Joint Petitioners proposed that the Commission initiate a rule making proceeding in order concurrently to (1) reallocate Channel 232A from Sauk Centre, Minnesota to Alexandria, Minnesota; (2) reallocate Channel 264C1 from Alexandria, Minnesota, to Sauk Centre, Minnesota; (3) modify the license of KMSR(FM), Sauk Centre, Minnesota to specify operation on Channel 232A at Alexandria, Minnesota; (4) modify the license of KIKV-

FM, to specify operation on Channel 264C1 at Sauk Centre, Minnesota; and (5) upgrade KMSR(FM) to enable it to operate as a Class C3 station on Channel 232 at Alexandria, Minnesota.

By Notice of Proposed Rule Making adopted December 6, 2000, released December 15, 2000, DA 00-2832 ("Notice"), the Commission, by the Chief, Allocations Branch, Policy & Rules Division, Mass Media Bureau, initiated the above-captioned proceeding on the finding that it believes the Joint Petitioners' proposal warrants consideration. The Notice proposed amendment of the FM Table of Allotments as proposed in the Petition.

The Joint Petitioners file these comments in support of the proposed amendment of the FM Table of Allotments. Specifically, the Joint Petitioners hereby express their continuing interest in (1) the proposed substitution of Channel 232C3 for 232A at Sauk Centre, the reallocation of Channel 232C3 from Sauk Centre to Alexandria, and the modification of Station KMSR's license accordingly; and (2) the reallocation of Channel 264C1 from Alexandria to Sauk Centre, and the modification of Station KIKV's license accordingly. Promptly upon amendment of the FM Table of Allotments as proposed, the Joint Petitioners will take the steps necessary to proceed with construction of facilities to operate Stations KMSR and KIKV on their substitute channels.

The Joint Petitioners submit that, for the reasons stated in the Petition, the public interest will be served by adoption of the proposed amendment to the FM Table of Allotments, and such amendment is hereby respectfully requested.

Respectfully submitted,
